

# SPRING FLOWERING TREES & SHRUBS OF MAXWELL ARBORETUM

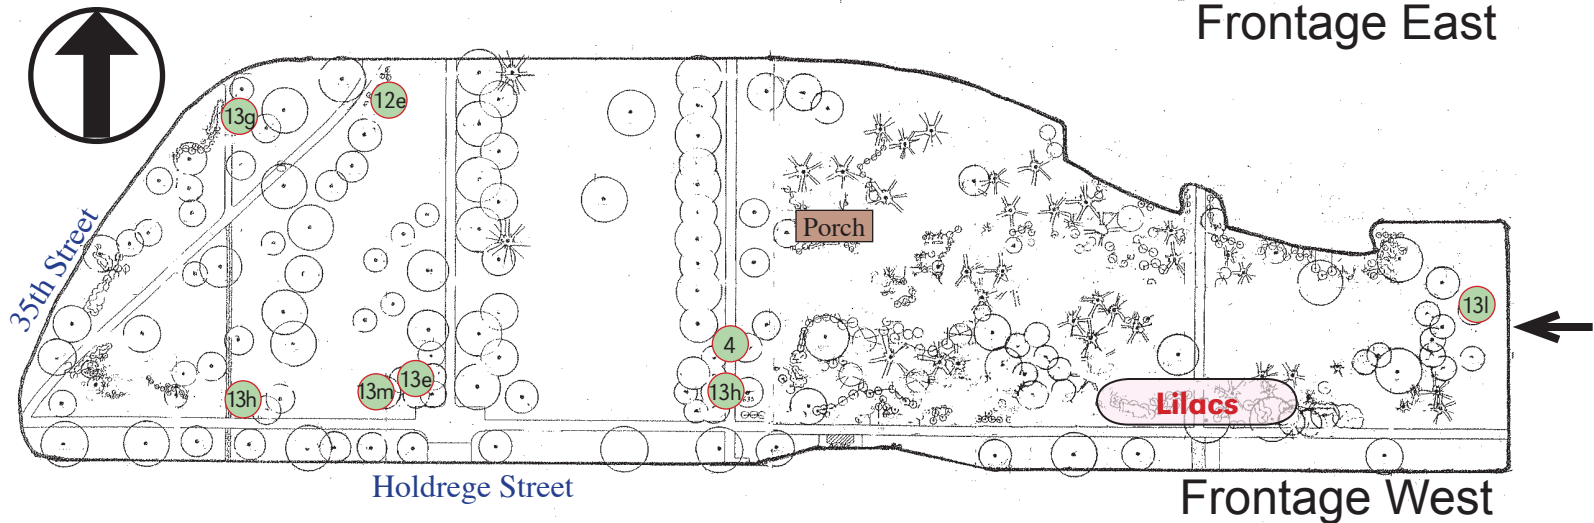

For information on lilacs, rhododendrons, and viburnums, see those collections' maps and inventories

## KEY

|  |                                      |
|--|--------------------------------------|
| 1 <i>Abeliophyllum distichum</i>       | White Forsythia                      |
| 2 <i>Aesculus</i>                      | Horsechestnut                        |
|  | a. <i>baumannii</i>                  |
|  | b. <i>hippocastanum</i>              |
|  | c. <i>parvifolia</i>                 |
|  | × <i>carnea</i>                      |
|  | d. 'Briotii'                         |
|  | e. 'O'Neill'                         |
| 3 <i>Amelanchier</i>                   | Serviceberry                         |
|  | a. <i>alnifolia</i>                  |
|  | b. <i>canadensis</i>                 |
|  | c. <i>laevis</i>                     |
|  | d. <i>ovalis</i>                     |
| 4 <i>Cercis canadensis</i>             | Redbud                               |
|  | <i>alba</i>                          |
| 5 <i>Chionanthus</i>                   | Fringetree                           |
|  | a. <i>virginicus</i>                 |
|  | b. <i>retusus</i>                    |
| 6 <i>Cornus</i>                        | Dogwood                              |
|  | a. <i>alternifolia</i>               |
|  | b. <i>florida</i>                    |
|  | c. <i>kousa</i>                      |
|  | d. <i>mas</i>                        |
|  | e. × 'Rutgan'                        |
| 7 <i>Deutzia</i>                       | Slender Lemoine                      |
|  | a. <i>gracilis</i>                   |
|  | b. × <i>lemoinei</i>                 |
| 8 <i>Exochorda racemosa</i>            | Pearlbush                            |
| 9 <i>Forsythia</i> × <i>intermedia</i> |                                      |
| 10 <i>Liriodendron tulipifera</i>      | Tuliptree                            |
| 11 <i>Lonicera xylosteum</i>           | Honeysuckle European Fly             |
| 12 <i>Magnolia</i>                     |                                      |
|  | a. 'Anne'                            |
|  | b. 'Galaxy'                          |
|  | c. <i>kobus</i>                      |
|  | d. <i>stellata</i>                   |
|  | e. × <i>loebneri</i> 'Merrill'       |
|  | Star                                 |
| 13 <i>Malus</i>                        | Crabapple                            |
|  | a. 'Adams'                           |
|  | b. 'Coralburst'                      |
|  | c. 'Donald Wyman'                    |
|  | d. 'Professor Sprenger'              |
|  | e. 'Robinson'                        |
|  | f. 'Royaly'                          |
|  | g. 'Selkirk'                         |
|  | h. 'Spring Snow'                     |
|  | i. 'Van Eseltine'                    |
|  | j. 'Velvet Pillar'                   |
|  | k. 'White Candle'                    |
|  | l. 'Madonna'                         |
|  | m. 'Snow Drift'                      |
|  | n. 'Red Jade'                        |
|  | o. 'Winter Gold'                     |
| 14 <i>Kerria japonica</i>              |                                      |
| 15 <i>Pyrus</i>                        | Pear                                 |
|  | a. <i>calleryana</i> 'Chanticleer'   |
|  | b. <i>salicifolia</i> 'Silver Frost' |
